WVU Retiree's Association
PO Box 6640
Morgantown, WV 26506-6640

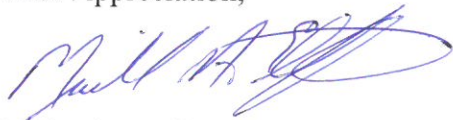

Dear Sir or Madam,

Thank you for the WVU Retiree's Association's recent contribution to the West Virginia University Division of Student Life. We are very grateful for your support. This thoughtful donation to the WVU Student Food Pantry will provide food and personal care items for WVU students in need at no cost through The Rack food pantry. All students enrolled at WVU are eligible for assistance.

The WVU Retiree's Association's gift to Student Life is part of WVU's university-wide campaign, *A State of Minds: The Campaign for West Virginia's University*. By investing in our students, you have made a meaningful commitment to this campaign that will provide the University with the resources it needs to exemplify excellence for future generations. The potential of West Virginia University and WVU Student Life has never been brighter.

The support of loyal friends, alumni, parents and organizations like the WVU Retiree's Association is essential and helps us fulfill our mission of supporting a student-centered learning environment with the highest quality programs, services and opportunities to power our students' success. On behalf of all those who benefit from your support, please accept my sincere thanks for your gift and commitment to West Virginia University's students.

With Appreciation,

Michael A. Ellington
Interim Vice President for Student Life
